OUTDOOR LIVING

The Mediterranean Sea, the sun and outdoors life are part of our DNA, **we cannot avoid it!**

Our designers know it, and with each collection they design spaces capable of breaking the limits that separate the indoor from the outdoor world. Creating spaces where you want to live every day of the year.

Have you ever wished you had a different pool?
Could you imagine WOW being part of that solution?
In the next few pages we invite you to discover a new world, a world full of inspiration, a world of
Unexpected Surfaces.
